

# Share your Grand Rounds

## Showcase your expertise with peers across Australia & New Zealand

Children's Healthcare Australasia invites you to share your expertise through live or pre-recorded Grand Rounds!

These Grand Rounds will be published on the secure CHA Members Website for staff of member services to watch and learn from. Not only will you be able to help make a difference in the care of children throughout the country, you will also be able to access the Grand Rounds of your peers from services across Australia & New Zealand.
